*it is possible to change booking terms and conditions, in particular situation, based on agreement or decision of management of Gaćina Adriatic Charter d.o.o.*

**Important notes and info port/routes:**

Captain is responsible for boat and you. All special demands during the cruise have to be approved by him.

The yacht will cruise within Croatian and Monte Negro territorial inland waters according to a suggested route. The captain can modify the routes in the event of bad weather conditions or in the event of it being objectively impossible to put in to a planned harbor.

It is not permitted to bring personal drinks on board

The yacht cruises during the day only. Yacht can cruise during the night by an explicit arrangement with the company or as a matter of necessity.

In the Croatian port rules for boats are that first boat come to port catch a place but bigger boat can ask to be first to pear and smaller boat is to give place in high season. Possibility for reservation a place in harbor is minimal but possible. Reservation possibility has to be requested at least two days before.

It is different in marinas where all boats have own place, electricity and water.

In the event that the Company is unable to provide an alternative yacht, the Company may take up to 24 hrs to repair the original yacht. During that period the Company will provide clients with accommodation and food and will organize excursion at its own cost
